

Sidewalk Sign

Plasticade's Quick-Change Feature:

- Sign blanks quickly slide in and out and stay securely in place.
- 24" x 36" sign blanks can be changed in seconds. Use coroplast, aluminum, acrylic or any foamboard.
- Outrigger feet slide into place and "click-lock" into position with no tools required.
- Outrigger feet can be filled with sand or water. Free funnel with every order to facilitate loading.
- Molded-in tie down hole allows wiring for security precautions.
- Message Boards & Marker Boards available in black or white. Other options available—see back page.
- Small footprint and classic design provide an aesthetic plus for any situation.

Slides in easily, and...

...stays securely in place!

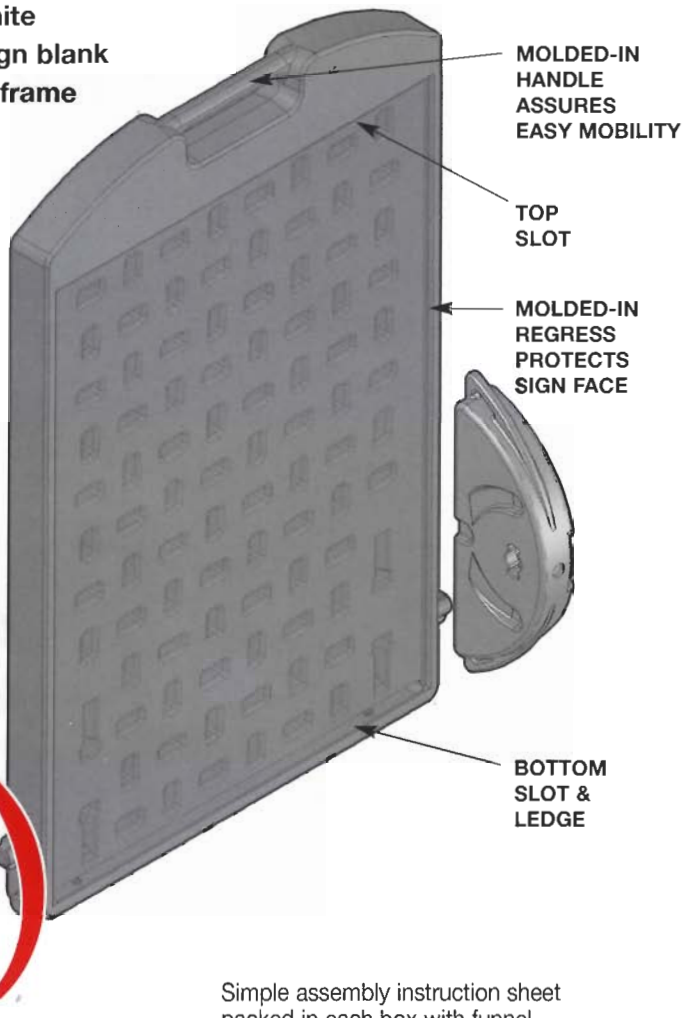

Custom colors available on request

Sign Frames Available in black or white

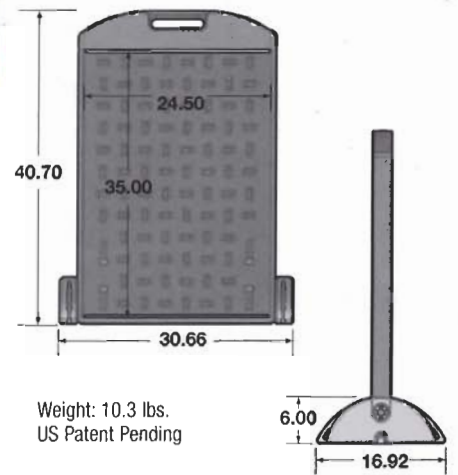

Sidewalk Sign

- Narrow footprint
- Black or white
- 24" x 36" sign blank
- 2 signs per frame

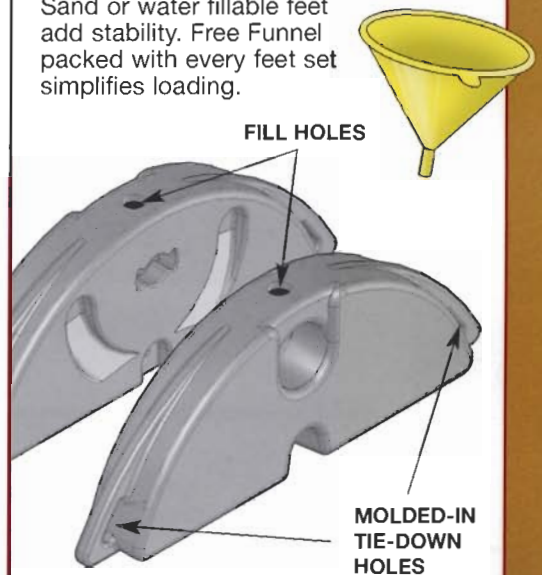

Easy Assembly:
Sign feet snap on and twist into place – no tools required.

Simple assembly instruction sheet packed in each box with funnel.

Sand or water fillable feet add stability. Free Funnel packed with every feet set simplifies loading.

Molded-in hole allows wiring or chaining base to a specific location, deterring theft.
